

Questionnaire on Country assessment of capacity to report on SDG indicators

Training Workshop on Agriculture, Nutrition, and Land Holding and Use to Support the Sustainable Development Goals (SDGs) 2030 in the Arab Region

Amman, Jordan July 1-5, 2018

Purpose of the questionnaire:

- Aims at collecting information on countries' capacity to report on SDG indicators for which the FAO is the Custodian agency.
 - It also collects information on the need for capacity development and training on the SDG indicators compilation by national authorities.
 - The collected data will be used for the SDG monitoring process and for planning the capacity development activities linked to SDG reporting.
-

Data collection

- Launch: During the last quarter of 2018
 - Online questionnaire (Survey Solutions)
 - Respondents: SDG National coordinators as the focal for the information to be compiled in cooperation with institutions in charge of statistics/agri statistics
 - Data processing centralized at FAO HQ
 - Support modalities: FAO HQ help desk + Regional focal points
 - Detailed manuals and reference material will be shared.
-

Structure of the questionnaire

- Cover page , incl. *information on the National SDG coordinator*
 - Instructions
 - Section 1: National Coordination of SDG reporting
 - Section 2: Statistical methods and practices, data availability
 - Section 3: SDG Indicators and needs for assistance
 - Feedback
-

Section 1 - National coordination of SDG reporting

- This section collects information on the SDG coordination process in the country. It is to be completed by the SDG National Coordinator, in consultation with other concerned agencies, including the National Statistics Office and line ministries in charge of SDGs.
-

Section 1 - cntd.

SECTION 1: NATIONAL COORDINATION OF SDG REPORTING		
<p><i>To be completed by the SDG National Coordinator in the country in consultation with other concerned agencies, including the National Statistics Office and line ministries in charge of SDGs</i></p>		
<p>For each institution in charge of SDG reporting please provide the following information</p>		
1.1	INSTITUTION NAME	
1.1.1	Address	
1.1.2	Website, telephone number	
1.2	RESPONDENT DETAILS	
1.2.1	Full name	
1.2.2	Title	
1.2.3	Service/Division	
1.2.4	Department	
1.2.5	Organisation	
1.2.6	Email	
1.3	1.3.a List of SDG indicators for which the institution is in charge	1.3.b YEAR for which the SDG is reported
	[SDG LIST]	

Section 1 - cntd.

1.4	Has any National Council, Board or Committee for coordination of SDG reporting been established by law or administrative order?	Yes/No
1.4.1	If "Yes" is it active and discharging its functions?	Yes/No
1.4.1.1	If "Yes" please give more details on the coordination mechanism:	
1.5	Is the SDG reporting coordinated with other official National Coordinators/Focal Points being involved in reporting on other indicators (e.g. National Coordinator for the Management of Animal Genetic Resources for Food and Agriculture for indicators 2.5.1 and 2.5.2)	Yes/No
1.6	What modalities of coordination and collaboration are practiced?	
1.6.1	<i>Periodic meetings of the SDG reporting agencies</i>	Mark "x" if applicable
1.6.2	<i>Common work plan with assigned responsibility for specific activities and outputs</i>	Mark "x" if applicable
1.6.3	<i>Working group and task team on technical issues.</i>	Mark "x" if applicable
1.6.4	<i>Other: specify</i>	Mark "x" if applicable

Section 2 - Statistical methods and practices, data availability

- Focuses on the general capacity of the country to produce statistics on agriculture, natural resources, household expenditure, and economic accounts - the basis for the compilation of the SDG indicators under the FAO custodianship.
 - Should be completed by the agencies in charge of production of official statistics in the country
 - Similarities with the questionnaire administered by GSARS
-

Section 2 - Structure

2.1			Information technology
2.2			GIS Technology used for survey data and maps
2.3			Mater sampling frame/ Register
2.4			Population Census
2.5			Price Indices
2.6			Food and Agricultural Surveys
	2.6.1		Agricultural census
	2.6.2		Current Food and Agricultural data available for the last five years
		2.6.2.1	Crop surveys for major crops
		2.6.2.2	Livestock surveys for main livestock
		2.6.2.3	Fishery and aquaculture
		2.6.2.4	Water and irrigation
		2.6.2.5	Forestry
		2.6.2.6	Food Systems
		2.6.2.7	Labour input in agriculture
		2.6.2.8	Other data (eg. for updating weighting diagrams for Price Indices)
2.7			Household Budget / Consumption or Expenditure Survey
2.8			Data on land ownership
2.9			National Accounts data
2.10			Classifications used
2.11			Monitoring the implementation of the Code of Conduct for Responsible Fisheries (CCRF)

Section 3- SDG indicators and needs for assistance

- This section is specifically focused on the SDG indicators under FAO custodianship.
 - Information is asked for each indicator on whether it is already compiled, or, if not, whether there are plans to compile it.
 - The needs for assistance on each indicator should be presented here.
-

Section 3 - Structure

3.1	List of SDG indicators	Already compiled and reported by the country	Not compiled by the country but by UN agencies or other institutions	Plans to start to compile it by the country	What are the major problems:	Type of assistance needed	Comments
		Y/N	Y/N	Y/N	1. Lack of national data 2. Methodological difficulties 3. Other (Specify)	(see codes)	
3.1.1	2.1.1 Prevalence of undernourishment						
3.1.2	2.1.2 Prevalence of moderate or severe food insecurity in the population, based on the Food Insecurity Experience Scale (FIES)			<p><i>Type of assistance codes:</i></p> <ul style="list-style-type: none"> (1) <i>assistance on production of data needed for the indicator</i> (2) <i>assistance on the adaptation of the methodology to the national context</i> (3) <i>assistance on the compilation of the indicator (for example, when using data from different sources)</i> (4) <i>assistance on the interpretation of the indicator or reporting on the indicator</i> (5) <i>Other (Specify.....)</i> (6) <i>No need for assistance</i> 			
3.1.3						

Thank you
